## WORK EXPERIENCE

**Cognizant Technology Solutions**, *Front-End Developer*, Plano, TX June 2022 - Present

- Received training where I built a venue scheduling app using Angular and AWS.
- Collaborated on a mock Instagram app using Angular and Spring Boot.
- Currently working on an in-house app for onboarding employees using React, Typescript and Spring Boot.

**KeylessRide**, *Tech Support Representative*, Georgetown, TX June 2021 - June 2022

- Analyzed end users' issues when using our in-house built remote programming tool for automobiles.
- Assisted customers needing keys or remotes cut and programmed for their vehicles.
- Troubleshooted and advised locksmiths during live programming attempts.
